

BE IN A GOOD SPACE

From the sweet smell of success, to the exquisite taste of freedom. From confidence, to comfort. Your every day has been defined by it. It's indulgent. Elegant. The most spacious. Words can't describe it, but yes, you're in a Ciaz. You're in a good space. Every second you spend in it, is pure joy. Every inch of its luxurious space, is yours to just sit back and enjoy. You know it, and so do all.

A FEELING CALLED CIAZ Immerse your senses in a space that redefines comfort and surrounds you in absolute luxury. It's peaceful. Calming. And the best of it all, the most spacious. The experience of Ciaz is something you will long for when

you're not inside it. You will keep coming back to it, day after day.

smart HYBRID

SMART HYBRID TECHNOLOGY

The Ciaz comes equipped with the revolutionary Progressive Smart Hybrid Technology that makes your drive better and smoother. Its integrated starter generator, paired with a Lithium-ion and a Lead Acid Battery, helps in regenerating braking energy and provides torque assist to the engine during acceleration.

AUTOMATIC TRANSMISSION Out on the roads, driving the Ciaz with Automatic Transmission is pure bliss. It moves effortlessly, even through the busiest of lanes, letting

you unwind through the chaos and be in your own space.

The Ciaz comes with the BS VI compliant K15 (1.5L) Petrol Engine, delivering a sophisticated blend of great performance and a smooth

K15 (1.5L) PETROL ENGINE

drive, enhancing your experience. Every day. On every turn.

which lets you pick any cruising speed over 40 km/h. Now, click and drive through the highway with unmatched ease.

fingertips. And directions to new destinations at your command. That's the simplicity of SmartPlay Studio. Plug in, or seamlessly connect your Smartphones, and experience unlimited entertainment with

uninterrupted connectivity. It's truly a good space.

For more details, contact your nearest NEXA Dealership.

^The speed alert system gives audible warning for alert of over-speed to driver. When vehicle speed exceeds about 80 km/h, primary level warning with two beeps will sound every minute. When the vehicle speed exceeds about 120 km/h, secondary level warning with continuous beeps will sound. If the vehicle speed is slowed down to about 118 km/h, primary warning will resume. If the vehicle is slowed down to about 78 km/h, speed alert warning will stop. This buzzer does not indicate any malfunction in vehicle.
